### **A Message from the Associate Dean**

I am delighted to welcome you to Mount St. Mary's College, Doheny Campus, for the 2003-2004 academic year.

I encourage you to dream your dreams, to set your goals high, and to take every opportunity to make those dreams and goals your REALITY. May the people you meet, the courses you take, and the events and activities in which you participate enable you to "actualize your gifts and talents" (MSMC Mission). Know that the administration, faculty, and staff are here to assist YOU in any way we can as you see our "Build a Better World" TODAY!

Wishing you our God's best blessings,

Sister Janet Duffy

## From the Student Health Office:

Student Health Services will be relocating to building 5 (Allied Health), Room C207 effective August 25th. We are very excited about this change, and we hope you will come and visit the new clinic. This move was necessary for several reasons:

- We needed wheelchair access to the building. This new building has an elevator.
- The growing number of students means we need a larger space to accommodate them.
- We needed to create more privacy for the students. This new space has a spacious private exam room so that privacy standards protecting the confidentiality of health information of patients is maintained.

The office also has expanded its hours to accommodate the growing population.

WE ARE OPEN THE FOLLOWING DAYS AND TIMES:

Monday-Thursday 10 a.m. - 4 p.m. (closed on Fridays)

*These hours are effective beginning August 25th.*

We will have an Open House mid-September for everyone to tour the new clinic once fully completed. An exact time and day will be announced at a later date. In the meantime, please be patient during this transition.

If you have any questions or you need to make an appointment, please call us at ext. 2685.

## From the Registrar's Office:

The Registrar's Office welcomes Students and Faculty to the Fall 2003 semester. Please read our bulletin board in Bldg. 4 for information on classes offered at Doheny and Chalon Campuses, for classroom assignments (some have changed since you received your schedule), and for important dates and deadlines.

Important Date: Tuesday, **September 9, 2003**

**Last Day to add a class**

If you want to add a class, you must:

1. Get an add/drop slip either from the advisement office in Bldg. 4 or from the registrar's office in Bldg. 10.
2. Ask your advisor about adding the class. This is to insure that you get good information and advice on taking that class or carrying that many units. Get your advisor's signature.
3. Ask the instructor if you can join the class. Instructors do not have to take you. They may decide they have too many students now, or if you wait too long, they may have covered too much material for you to join the class.
4. If the instructor will allow you to join the class, fill out the add/drop slip and have the instructor sign it.
5. Deliver the add/drop slip to the registrar's office by Tuesday, Sept. 9. The registrar's office closes at 6:00 p.m. You will not be allowed to add a class after September 9.

During this time, you may also drop a class with no penalty or fee. To drop a class, you must

1. Get an add/drop slip.
2. See your advisor and ask for his/her signature. This is to insure that you know the ramifications of dropping a particular class.
3. Inform the instructor you are dropping her/his class and ask her/him to sign the form.
4. Deliver the add/drop slip to the registrar's office. The registrar's office closes at 6:00 p.m. on Tuesday, Sept. 9.
5. You may drop a class after Sept. 9, but you will be charged a \$10.00 fee.

*Matters of Race*  
Premier Screening  
Tuesday, September 9, 7 p.m.  
Egyptian Theater, Hollywood

Buses depart from Chalon  
and Doheny, 5:30 p.m.

- What race are you? Are you offended by that question and questionnaires that ask you to identify by your race?
- Do we still need discussions about race? Haven't we moved beyond that?
- How is race lived in the United States today? How does race affect perceptions and opportunities?

All members of the Mount community are invited to a screening publicizing *Matters of Race*, a new series that will premier this fall on PBS. The series seeks to address the questions above by sharing real stories of how race is lived in America today. One of the goals of the series is to create space for new language and new understanding to emerge. The screening is an invitation to join what the producers of the series hope will become a national dialogue about how we make the promise of America real for everyone regardless of differences.

Premier Screening  
Tuesday, Sept. 9, 7 p.m.  
Egyptian Theater, Hollywood  
Busses depart Chalon and Doheny at 5:30

Reservations required by Sept. 3  
Seating is Limited. Reception to follow.

The debate about race in this country is no longer about how race is defined. Today, the most-asked question is: how is it lived? The Matters of Race series that will be shown this fall on PBS seeks to invite an exploration of a topic that plays a significant role in all of our lives. In order to promote awareness about the series and stimulate discussion, the college community has been invited to a screening sponsored by Latino Public Broadcasting and the Los Angeles Latino International Film Festival. Producers Lulie Haddad and Phil Bertelsen will attend and a reception will follow the screening hosted by Flor de Caña. The screening will include two pieces from the series, one on the King-Drew Medical Center and another on the census.

*For reservations and questions contact Debbie Giunta, Center for Cultural Fluency x2533, [dgiunta@msmc.la.edu](mailto:dgiunta@msmc.la.edu) or sign-up at the ASB offices at Chalon and Doheny by Wed. Sept 3. Classes, dorms, family, and friends welcome. You will need to make a reservation for both the screening and the bus. Indicate from which campus you would like to leave. The last shuttle to UJ will wait for the screening bus to return to Chalon. If you prefer to drive yourself, the parking will probably be \$8. The Egyptian Theater is located at 6712 Hollywood Blvd, just east of Highland. Hope you'll join us for an interesting evening.*

## From Counseling and Psychological Services:

### *Stress Buster for the Week*

CHOCOLATE! CHOCOLATE! CHOCOLATE! Yes, finally something delicious has actually been proven to be good for you and best of all--stress reducing. Of course, we women didn't have to wait for research findings to tell us that, but it does reduce some of the guilt--which can create stress. Plain dark chocolate has less sugar and has been found to have a beneficial effect on blood cholesterol levels. It also can help boost serotonin and endorphin levels in the brain that improve mood. So when you feel blue, go ahead and treat yourself. Just make sure it's dark chocolate with low fat and sugar...a few chocolate covered raisins or a fudgesickle, YUM!

- **Counseling and Psychological Services is here to help you. Call ext. 2668 to schedule an appointment with a counselor. All services are free and confidential. You will find us in building 7. Office hours: Tuesday, Wednesday and Thursday from 8:30 a.m. –4:30 p.m.**

### **Saturday Ministries**

Come visit your neighbors- our forgotten brothers and sisters on the streets of downtown Los Angeles- along with the Missionary Brothers of Charity to prepare and deliver food, clothing, and love every Saturdays from 8:40am until noon.

After October 25<sup>th</sup> (there are enough volunteers on this date ☺), it will no longer be necessary to take the shuttle to go to the Brothers' home nearby. Up to three people are welcomed to carpool with Mary Grace Hernandez (Student Coordinator for Community Service) beginning November 1<sup>st</sup>, but must R.S.V.P. at Campus Ministry x2672.

If you have a car and you are willing to drive no more than 2 miles from this campus, please contact us if you're interested in volunteering for some Saturdays. This is also a great way to experience community service together with your clubs, organizations, and close friends.

### **KNOCK YOUR SOCKS OFF!**

Sock Donation Drive (now until the end of the semester)

As the cold weather is approaching, socks are on the top list of those who cannot afford to keep their feet warm. We are collecting socks, new or used, to deliver to the homeless during our Saturday ministry. Any other donations are also appreciated.

Thank you for your generosity.

### **Volunteer Opportunity Right Around the Corner!**

Stella Maris, the retirement home of the Sisters of Social Service, is located along 23<sup>rd</sup> St., off of the Adams Blvd exit. They are open to accepting volunteers in the afternoon and evening times to be a companion to these elderly sisters- to take walks, to have meals together, to play games, to run errands, or to just spend time talking. Call Sister Shaun at (213) 748-7335 if this sounds like something you'd like to do. Or for more info, call Mary Grace at (213) 712-8427.

## **From Counseling and Psychological Services:**

### ***Stress Buster for the Week***

College is often a fun and exciting experience, but sometimes it can be very stressful, which may cause irritability, tension and/or even anger. Anger is a normal and healthy human emotion, but it can become destructive and lead to many problems if you allow it to get out of control. There are many healthy ways to control anger. Deep breathing can help, so can laughter, exercise and taking a "time out" to cool down.

Remember, it is important to take personal time for YOU and to express hurt feelings and irritations when they occur in an assertive (not aggressive) way. Doing these things now will help to avoid a "build up" of anger and an uncontrollable outburst later.

If you feel your anger is out of control, please stop by Counseling & Psychological Services to talk to someone confidentially or call (213) 477-2668.

## **Message from the Dean:**

On behalf of the faculty, staff and students, I wish to extend a thousand THANKS to Maria Lyons for bringing Rocky Delgadillo and many members of the Association of Black City Attorneys to our campus on Tuesday, November 4. The program, "Diversity in the Legal Profession, Classroom to Courtroom," included the presentation and pinning of the new deputies in the City Attorney's office, and greetings from Dr. Doud, Rocky Delgadillo, and Kimberly Willis (current president of the association). It provided a wonderful opportunity for our students to meet several city attorneys and judges who are anxious to mentor our students and to offer them internships in their offices. We are delighted that our students will take advantage of this wonderful opportunity for partnership, and confident that it will contribute to future success.

Sincerely,  
Sister Janet Duffv

### **From Counseling and Psychological Services:**

#### ***Stress Buster***

Do you criticize yourself or have trouble accepting compliments? Do you often apologize and feel guilty? Do you have trouble making direct eye contact or engaging with others? You may suffer from Low-Self-Esteem. However, there is hope. You can work to increase your self-esteem.

- Affirm yourself, give yourself at least one compliment a day
- Strive for improvement, not perfection (after all nobody's perfect)
- Make learning mistakes- A mistake does not make you a failure, it's a sign that you're growing
- Stop comparing yourself to others and judging. Avoid "should" and "Must" statements
- Avoid negative people- find positive supportive friends to help you see the good in you.

**If you suffer from low self-esteem and would like help, please come to Counseling and Psychological Services (CPS) in Building 7 or give us a call at (213) 477-2668. We are here to help. Services are Free and Confidential.**

## **From Campus Ministry:**

### **CLC GATHERING AND INFORMATION SESSION**

Monday, November 10 at 8:00p.m. in House 1

Would you like to share your faith and what is going on in your life with other students? Do you want to live your faith through service with others? Do you desire to discover your calling in life?

Become a part of CLC (Christian Living Community) and join a group of students who support each other on the journey of faith in finding God in the midst of busy lives. CLC is a great way to connect with others in a deeper way.

The CLC experience at MSMC consists of small groups and support of campus wide activities. Groups meet weekly or bimonthly, as well as on special occasions.

Call Lynda at ext. 2672 for more info.

### **BAPTISM AND CONFIRMATION**

Interested in receiving one of these sacraments this year? It's not too late!  
If you are a Catholic who has not yet been Confirmed, perhaps this is the year for you!

#### ***What do you do?***

Call your Campus Ministry office right away at ext. 2672 and ask for Gaile. Pick up a Sacramental Preparation form in the office or on the CM board in Building 4 (St. Joseph Hall) and turn it back in ASAP.

Next meeting is Thursday, Nov. 13, from 4:30 — 6:00pm in Campus Ministry. Final meeting of the semester is Wednesday, Dec. 3, for the Advent Reconciliation Service (see below). Join us!

### **HUNGER BANQUET**

Monday, November 24 from 6:30-8:00 p.m. in the Donohue Center

A hands-on experience of hunger and poverty

We live in a world in which 1.3 million people live in poverty. Come get a taste of reality and find out what it is really like to be segregated into social classes. It will be a lesson you'll never forget!

Everyone is welcome, including clubs, organizations, residence halls and classes.

### **VOLUNTEER OPPORTUNITY RIGHT AROUND THE CORNER!**

Stella Maris, the retirement home of the Sisters of Social Service, is located along 23rd St., off of the Adams Blvd exit. They are open to accepting volunteers in the afternoon and evening times to be a companion to these elderly sisters — to take walks, to have meals together, to play games, to run errands, or to just spend time talking. Call Sister Shaun at (213) 748-7335 if this sounds like something you'd like to do. Or for more info, call Mary Grace at (213) 712-8427.

For more info on these activities or any other Campus Ministry activities, contact us at ext. 2672.

## **From Campus Ministry (con't):**

### **KNOCK YOUR SOCKS OFF!**

**Thank you to . . .** all who have already donated socks for the "Knock Your Socks Off" Drive, continuing for the rest of the semester.

As the cold weather is approaching, socks are on the top of the list for those who cannot afford to keep their feet warm. We are collecting socks, new or used, to deliver to the homeless during our Saturday ministry. Any other donations of warm clothing are also appreciated.

*Thank you for your generosity.*

### **SATURDAY MINISTRY**

Come visit your neighbors — our forgotten brothers and sisters on the streets of downtown Los Angeles — along with the Missionary Brothers of Charity to prepare and deliver food, clothing, and love every Saturday from 8:40am until noon.

Food preparation is held at the home of the Brothers at 1316 Westlake Ave. (near Alvarado), then assigned to different locations in downtown like Pershing Square, MacArthur Park, Broadway, and the alleys.

If you have a car and you are willing to drive to the Brothers' home less than 2 miles from this campus, please contact us at ext. 2672 or Mary Grace Hernandez at ext. 4531, or (213) 712-8427. There will be some Saturdays that the Community Service Coordinator cannot provide transportation, so we would truly appreciate those who can offer their gift of driving, especially for November 15. **A sign up sheet is available on our board in Bldg 4.**

This is a great way to experience community service together with your clubs, organizations, and close friends. In addition, most students are able to use these hours for class requirements.

### **WANT TO LEARN TO PRAY THE ROSARY?**

Tuesdays, 6-7:00 p.m. Continuing in November on the 11th, 18th and 25th in the Chapel.

We invite you to join a group of students interested in learning this meditative and interactive form of prayer.

It will begin with a reading of the Sunday Gospel, and will include prayer for the needs of our community and our world.

*If you are not sure how to pray the rosary, but are looking for an experience of meditative and scripture-centered prayer, please come - and we will teach you.*

### **ADVENT AND THE SACRAMENT OF RECONCILIATION**

The season of Advent begins at sundown on Saturday, November 29. It is a period of quiet anticipation of the gradual coming of Light in the darkness --the 4 weeks before the Christmas season begins.

During this season we offer you the opportunity to go to confession (to receive the Sacrament of Reconciliation) here on campus on **Wednesday, Dec. 3, at 7:30pm in Mercy Chapel.**

### **From Campus Ministry (con't):**

- Is something weighing you down and adding to your stress?
- Are you having a hard time forgiving yourself or others?

Participation in this service might help alleviate this stress.

- Has it been a long time since you have been to confession?
- Do you get a little nervous and forget sometimes what to say?
- Have you ever felt intimidated by this experience?

If these are some of your concerns, then let the Campus Ministry staff gently guide you through this informal evening of music, scripture, prayer and reconciliation.

### **Volunteer Opportunity Right Around the Corner!**

Stella Maris, the retirement home of the Sisters of Social Service, is located along 23rd St., off of the Adams Blvd exit. They are open to accepting volunteers in the afternoon and evening times to be a companion to these elderly sisters — to take walks, to have meals together, to play games, to run errands, or to just spend time talking. Call Sister Shaun at (213) 748-7335 if this sounds like something you'd like to do. Or for more info, call Mary Grace at (213) 712-8427.

For more info on these activities or any other Campus Ministry activities, contact us at ext. 2672.

***TONIGHT: Monday, November 24, reflect on poverty and hunger with these two evening events!***

### **HUNGER BANQUET**

Monday, November 24 from 6:30 — 8:00 p.m. in Donohue Center

A hands-on experience of hunger and poverty

We live in a world in which 1.3 billion people live in poverty. Come get a taste of reality and find out what it is really like to be segregated into social classes. It will be a lesson you'll never forget!

Everyone is welcome, including clubs, organizations, residence halls and classes.

### **CLC GATHERING**

Monday, November 24 at 8:30 p.m. in House 1

Would you like to share your faith and what is going on in your life with other students? Do you want to live your faith through service with others? Do you desire to discover your calling in life?

Become a part of CLC (Christian Living Community) and join a group of students who support each other on the journey of faith in finding God in the midst of busy lives. CLC is a great way to connect with others in a deeper way.

The CLC experience at MSMC consists of small groups and support of campus wide activities. Groups meet weekly or bimonthly, as well as on special occasions.

Call Lynda at ext. 2672 for more information.

### **ADVENT AND THE SACRAMENT OF RECONCILIATION**

### **Saint Nicholas Day is coming on Dec. 6!**

The Campus Ministry staff is inviting the entire Mount Saint Mary's community to celebrate Saint Nicholas Day. Saint Nicholas was known for his enormous generosity for the poor. In remembrance of Saint Nicholas, Campus Ministry is celebrating this holiday by asking for donations of unused toiletries for the poor.

***St. Nick will visit the dorms!*** Resident students can participate by putting their shoes out in front of your door with toiletries inside them. Then, St. Nick will pick up the toiletries and deliver a small thank you gift. **Put your shoes and toiletries out by 10 p.m. on Friday, Dec. 5.**

Commuters, staff and faculty can drop off toiletries to Campus Ministry during the week of **Dec. 8 – 11**; St. Nick will have small gifts for you too!

Such toiletries include soaps, lotions, shampoo, conditioner, tissue, etc. These toiletries will be distributed to the poor people of Los Angeles while they are in line for food. We ask for anything that can be donated. Thank you for your generosity.

The date has not been finalized at this point, but you can leave a deposit with Campus Ministry as early as this week. (*The deposit is refundable if you cannot go.*) Remember that there is a \$35 fee to cover the cost of transportation, food, and housing (Only \$20 for those willing to drive to Tijuana). ## A Message from the Dean:

Dear Students, Faculty and Staff,

I was unable to get a Thanksgiving message to you in time for last week's *Happenings*, but I trust you know that

***"I thank our God whenever I think of you,  
And when I pray for you, I pray with joy" and thanks.***

I hope that you and your families were able to enjoy time together over the Thanksgiving holidays and to savor the wonderful gift family love and support.

Special thanks to just a few of the many faculty and staff who serve us all-to Maria Lyons and ASB for a wonderful Father Daughter Dinner Dance, to Stella Wohlfarth for the Red Cross Blood Drive and the Dental Screening, to Frankie Lennon for an exciting and invigorating Open Mike program.

I hope that you will make the best of this last, short week before finals. Remember, we are mind, body and spirit. Please, take care of all these aspects of yourselves.

Our God's blessings on each of you,  
Sister Janet Duffy

## **From Campus Ministry:**

Thanks to all those who participated in the Hunger Banquet last Monday!

### **DE-STRESS WITH THE SACRAMENT OF RECONCILIATION**

**Wednesday, Dec. 3, at 7:30pm in Mercy Chapel**

- Is something weighing you down and adding to your stress?
- Are you having a hard time forgiving yourself or others?

Participation in the **Advent Reconciliation Service** might help alleviate this stress.

- Has it been a long time since you have been to confession?
- Do you get a little nervous and forget sometimes what to say?
- Have you ever felt intimidated by this experience?

If these are some of your concerns, then let the Campus Ministry staff gently guide you through this informal evening of music, scripture, prayer and reconciliation.

*This is also a required event for those Doheny students preparing for Confirmation.*

### **Saint Nicholas Day is coming on Dec. 6!**

The Campus Ministry staff is inviting the entire Mount Saint Mary's community to celebrate Saint Nicholas Day. Saint Nicholas was known for his enormous generosity for the poor.

In remembrance of Saint Nicholas, Campus Ministry is celebrating this holiday by asking for donations of unused toiletries for the poor.

***St. Nick will visit the dorms!*** Resident students can participate by putting their shoes out in front of your door with toiletries inside them. Then, St. Nick will pick up the toiletries and deliver a small thank you gift. **Put your shoes and toiletries out by 10pm on Friday, Dec. 5.**

**Commuters, staff and faculty** — you won't be left out! You can drop off toiletries to Campus Ministry during the week of **Dec. 8 – 11**; St. Nick will have small gifts for you too! Such toiletries include soaps, lotions, shampoo, conditioner, tissue, etc. These toiletries will be distributed to the poor people of Los Angeles while they are in line for food. We ask for anything that can be donated. Thank you for your generosity.

## **From Campus Ministry (con't):**

### **Adopting Families for Christmas at the Child Development Center**

The Child Development Center provides free child care to many families that struggle to make ends meet. Many parents work in factories downtown, in restaurants, as street vendors, or they clean houses, for minimum wage (\$6.75/hour) with no benefits. Many families do not own cars and walk to the center and to work, rain or shine. It was particularly difficult for them during the bus strike. Some parents are single and are raising their children on their own. This year, there are four families that could especially use some extra help around the holidays.

Mount St. Mary's students, staff and faculty can help. The divisions of the College will each be adopting a family; students can also contribute to this project. The monetary donations will be redeemed for gift cards for various stores and presented to the families during the week after finals.

Donations from students and friends can be brought to Campus Ministry, or look for donation locations at both campuses. Students who donate will receive a ribbon as a thank you. Staff and faculty will receive information from their Vice President about opportunities for participation in "Adopt a Family." Thank you for sharing in the spirit of Christmas through this Mount project...

**Would you like to volunteer over the Christmas break?** You can contact Mary Grace Hernandez at (213) 712-8427

Other questions? Call Campus Ministry at ext. 2672.

---

## **From Campus Ministry:**

### **DEATH PENALTY – SUPPORT FOR ABOLISHMENT**

The sisters of St. Joseph of Carondelet in the Los Angeles Province strongly oppose the death penalty. They believe in the sanctity and dignity of every human life. Together they call upon our elected leaders to put an end to state-sanctioned killing. Furthermore, we call upon our sisters and brothers in our parishes, ministries, and neighborhoods to join us in working toward the abolition of the death penalty.

Here are the things that Campus Ministry is doing to help the Mount learn about the execution and to increase awareness of the death penalty:

- Come to Campus Ministry on Monday, February 9, and make a phone call to the governor to express your opinion on the death penalty
- Watch the movie "Dead Man Walking" – we will be showing it on campus soon!
- Write or call the governor – come to Campus Ministry today and make a free call.
- Get more information via newspapers, credible web sites and other sources.

### **Mardi Gras is coming!**

On February 24, 2004, the entire campus of Mount St. Mary's College will be celebrating Mardi Gras. Mardi Gras is French for "Fat Tuesday"--the day to clean out the cupboards and have a final wonderful party before the season of Lent begins. The days before Lent are also known as "Carnival" in many places -- a word that means "farewell to meat!" Mardi Gras will be a day-long celebration.

Look for:

- snacks and sweets offered by offices throughout the campus
- fun activities during the day
- a special Mardi Gras menu offered by the cafeteria
- a floor decorating contest
- a live band in the cafeteria from 5-6 p.m., with floor decorating contest award presentation
- Campus Ministry staff will hand out beads

**Please, come and celebrate!**

Does your office or organization want to participate? Let us know at ext. 2672.

## **From the Spiritual Life Program:**

Waling is a necessary part of our days and months and years. It moves us from one place to another with all that is implied in that movement: purpose, direction, intention. Often it has been a symbol of a journey or pilgrimage.

The labyrinth, an ancient and sacred sign found in many of the gothic cathedrals in Europe, can envision and facilitate our journey through life. The experience of walking it is unique, reflective and prayerful for each person.

The Spiritual Growth Center will offer a retreat day, **The Labyrinth: A Sacred Journey**, on Saturday, February 28 in Donohue Center. The day will include some input, time for reflection, and walking the labyrinth. Fee: \$40. Since space is limited, pre-registration is advised. Make checks payable to the Spiritual Growth Center. All are welcome.

## **From the Parking Committee:**

### **Important Parking Information**

For added convenience daily parking passes at Chalon can now be purchased at the Entrance Kiosk (\$1.50 per day).

The Parking Committee has approved the purchase of two "boots" to assist with parking enforcement. Security will install the "boots" on a vehicles wheel with a third and subsequent parking citation. The boot will make the vehicle inoperative. The boot may only be removed by Security after the vehicles owner has shown proof that all outstanding parking fines have been paid to the Business office.

This procedure will reduce the frequency of towing from campus. Students have expressed concern that we "should have called them first" before towing their car. The use of a "boot" will hold the vehicle's owner responsible for the violations but will reduce the financial impact and minimize the inconvenience of recovering their vehicle.

## **From Counseling and Psychological Services:**

### *Stress Buster*

Communication is not easy. How many times a day do you wish you hadn't said something the way you did? There is a simple and effective way to send a message that doesn't make the other person feel guilty or angry...Use "I" messages instead of "you" messages. Instead of saying, "**You** make me angry when you turn up the music so loud," try saying, "I can't hear my friend talking on the phone when you have the music so loud." The first sentence puts the blame on the other person who then can become defensive and angry. However, the second sentence puts the emphasis on how you are affected by the noise. It gives the other person the responsibility of changing the behavior. Hopefully, that person will want to change because he/she is not feeling so angry and defensive. Using the "I" model can build relationships and relieve stress.

If you'd like to learn more about effective communication, call ext. 2668 to schedule an appointment with a counselor. Counseling is free and confidential. You will find us in Building 7. Office hours: Tues, Wed, and Thurs from 8:30 a.m. to 4:30 p.m.

### **SAVE THE DATE!**

## **From the Spiritual Life Program:**

Walking is a necessary part of our days and months and years. It moves us from one place to another with all that is implied in that movement: purpose, direction, intention. Often it has been a symbol of a journey or pilgrimage.

The labyrinth, an ancient and sacred sign found in many of the gothic cathedrals in Europe, can envision and facilitate our journey through life. The experience of walking it is unique, reflective and prayerful for each person.

The Spiritual Growth Center will offer a retreat day, **The Labyrinth: A Sacred Journey**, on Saturday, February 28 9:45 a.m.-1 p.m. in Donohue Center. The day will include some input, time for reflection, and walking the labyrinth. Fee: \$40. Since space is limited, pre-registration is advised. Make checks payable to the Spiritual Growth Center. All are welcome.

## **From Counseling and Psychological Services:**

### *Stress Buster*

As we begin the Lenten season we are reminded that life is short, and we must put our lives in order. It is Spring, a time of new beginnings. Our relationships with others might be a place to start our self-examinations. We all differ in so many ways; how do we look at those differences? Are others wrong, bad, or stupid because they differ from us? Or do we value those differences, trying to understand others and their odd ways? As you observe Lent, take time to examine your relationships with an openness to how God made each of us special and different. We are all precious pieces of a vast interconnected puzzle; this attitude of wonder will help you to complete the puzzle.

**If you would like to talk to someone about personal concerns, call Ext. 2668 to schedule an appointment with a counselor. Counseling is free and confidential. You will find us in Building 7. Office hours: Tues, Wed, and Thurs from 8:30 a.m. to 4:30 p.m.**

# JUVIES

Directed by Leslie Neale

A documentary that looks into the eyes and souls of children  
prosecuted and imprisoned as adult criminals.

**Wednesday, March 3, 2004**  
**7:00 p.m. Little Theater- Chalon**

What kids face behind bars is a crime. A century ago, the juvenile justice system was established to offer kids a chance at rehabilitation by keeping them out of the adult prison system. In the last decade, the number of young people in adult prisons has tripled.

For two years, Neale taught a video production class at Los Angeles Central Juvenile Hall to juveniles who were being tried as adults. Following the kids into adult prison, **juvies** exposes a justice system that has become a dehumanizing vending machine of injustice.

## **ADMISSION IS FREE**

Bring family, friends, and colleagues  
Guest Speakers include Director Leslie Neale and  
Human Rights Watch Honoree Javier Stauring

## **From the Parking Committee:**

### **Important Parking Information**

For added convenience daily parking passes at Chalon can now be purchased at the Entrance Kiosk (\$1.50 per day).

The Parking Committee has approved the purchase of two "boots" to assist with parking enforcement. Security will install the "boots" on a vehicle's wheel with a third and subsequent parking citation. The boot will make the vehicle inoperative. The boot may only be removed by Security after the vehicle's owner has shown proof that all outstanding parking fines have been paid to the Business office.

This procedure will reduce the frequency of towing from campus. Students have expressed concern that we "should have called them first" before towing their car. The use of a "boot" will hold the vehicle's owner responsible for the violations but will reduce the financial impact and minimize the inconvenience of recovering their vehicle.

Get On The Bus brings children and their guardians/caregivers from throughout the state of California to visit their mothers at the Central CA Women's Facility & the Valley State Prison for Women in Chowchilla.

The basic desire of the Sisters of Saint Joseph is to reflect a "profound love of God and Neighbor without distinction." Their mission is to love and work so that all may be one. We look forward to thanking them for all that they do for this college and the community at large.

Watch your email and this newsletter for more information!

## **From Counseling and Psychological Services:**

### *Stress Buster*

As midterms approach this semester, many students may feel more stress and anxiety. One way to reduce this stress is to take control of your physical and social environment. Assess the best time and place for you to study. If your physical environment (dorm room or bedroom) is an easy distraction, choose a different environment such as a library or study lounge. To control your social environment, set up a time schedule that will allow you time for both work and play. Utilize your environment! Use librarians, tutors, the learning center, and/or set up study groups. When you feel in control of your environment, you are likely to feel less stress and more confident during exams. Good Luck!

**If you would like to talk to someone about personal concerns, call ext. 2668 to schedule an appointment with a counselor. Counseling is free and confidential. You will find us in Building 7. Office hours: Tues, Wed, and Thurs from 8:30 a.m. to 4:30 p.m.**

### **Important Parking Information**

For added convenience daily parking passes at Chalon can now be purchased at the Entrance Kiosk (\$1.50 per day).

The Parking Committee has approved the purchase of two "boots" to assist with parking enforcement. Security will install the "boots" on a vehicle's wheel with a third and subsequent parking citation. The boot will make the vehicle inoperative. The boot may only be removed by Security after the vehicle's owner has shown proof that all outstanding parking fines have been paid to the Business office.

This procedure will reduce the frequency of towing from campus. Students have expressed concern that we "should have called them first" before towing their car. The use of a "boot" will hold the vehicle's owner responsible for the violations but will reduce the financial impact and minimize the inconvenience of recovering their vehicle

## **From Campus Ministry (con't):**

### **Celebrating the Sisters of St. Joseph!**

#### **Bread Blessing**

March 24, 2004 from 11:20 -11:30 a.m.

In front of ST. JOSEPHS HALL (Building 4) near the St. Joseph statue

Join us for a time to celebrate St. Joseph and to honor our own Sisters of St. Joseph of Carondelet. Everyone is invited to bring and share some bread.

(If you can, bring two loaves- one for us and one for the needy.)

#### ***Why bread on St. Joseph's Day?***

Bread is a wonderful symbol of UNITY and CARE FOR THE POOR, two of the most important commitments of the Sisters of St. Joseph. The tradition of sharing bread in St. Joseph's honor grew up in Italy, where St. Joseph is remembered for providing care and food for his family. We celebrate this day at Mount Saint Mary's also as a way of honoring the Sisters and their work for unity, reconciliation and justice.

This year, we honor the Sisters of St. Joseph as teachers and especially Servants of Peace.

Contributions of the loaves of bread will be given to the needy.

#### **Visit the Sisters**

Monday, March 29 at 5:00 p.m. shuttle to Chalon,

### *Stress Buster*

One of the most stressful things in life is to hold on to pain, such as the pain of a violent relationship or attack. If this has happened to you, you are not alone. One in four college women are raped by the time they graduate from college. One in five women were sexually abused as children. An FBI report states that a woman is beaten every 15 seconds by a partner. For women who have survived these attacks, depression, guilt and shame are common. If you have experienced any of these things, do not blame yourself, seek help and talk to someone you trust.

If you'd like someone to talk to, please call ext. 2668 to make an appointment with a counselor here at Doheny. You will find us in Building 7. Services are free and confidential. Office Hours: Tuesday, Wednesday, and Thursday from 8:30 a.m. to 4:30 p.m.

## **From Counseling and Psychological Services:**

### ***Stress Buster for the Week***

**Decision-making** is often difficult. Many factors influence what choices we make. However, one of the most important influences can be the expectations of others, such as parents, siblings, relatives, teachers, friends, and significant others. One way to think about this is to imagine these people as your board of directors. Stop and consider: Who sits on my Board of Directors? How much control do I want to give each one in helping me make important decisions about my life? Where do I sit? How much power do I have in controlling my life? Do I feel comfortable with this arrangement?

If you would like to talk to someone about decision-making or other concerns, call Ext. 2668 to schedule an appointment with a counselor. Counseling is free and confidential. You will find us in Building 7. Office hours: Tues, Wed, and Thurs from 8:30 a.m. to 4:30 p.m.

## **From Counseling and Psychological Services:**

### ***Stress Buster for the Week***

The semester is quickly coming to an end. Now is the time to Take Stock! What goals do I want to accomplish? What are my priorities? What do I have left to complete? It is time to set some specific goals and prioritize them. What things are Crucial, Which ones are Important and which tasks are Optional. Figure out what needs to be done, then find ways to encourage yourself to get them done. Use your friends and family to help keep you on task. Let them know how they can help you- maybe by rewarding you when you've accomplished a task, by not calling when you need quiet study time, or by helping you get less important tasks done such as laundry. It is important to determine your own needs then verbalize them to others. By focusing on a few important tasks instead of trying to do everything, you will feel more accomplished and less stressed during finals.

For Time Management Tips, Scheduling Aids, and/or *Finals Planning Guides*, please stop by the CPS Building 7 bulletin board and waiting area. We have many time management aids on display and self-serve handouts.

If you'd like someone to talk to, please call ext. 2668 to make an appointment with a counselor here at Doheny. You will find us in Building 7. Services are free and confidential. Office Hours: Tuesday, Wednesday, and Thursday from 8:30a.m. to 4:30p.m.

*Thank you for those of you who have signed up, and for those of you who haven't, please do so today. We need your help!*

## **From Counseling and Psychological Services:**

### ***Stress Buster for the Week***

**FINAL EXAMS**—Here are some hints for reducing stress and succeeding on exams: (1) **Eat nutritious foods** while you are studying and especially before your exam. (2) **Get the sleep you need** and watch the caffeine; too much can disrupt your sleep and cause you to lose concentration. (3) **Organize and prioritize** what you need to study. (4) **Think positive thoughts** and have faith in your abilities. (5) **Take deep breaths** and relax before you begin the exam and throughout the exam. If you are calm, your mind will be able to recall and focus on the material you have learned.

We hope you have had a great year at MSMC and have been able to participate in some of the services of Counseling and Psychological Services, such as individual counseling, De-Stress Day, Depression Screening, Take Back the Night, and Eggstravaganza. Our office will close for the summer on May 18, and we will reopen on Aug. 24. During this time, you may call the Chalon Health Office if you have an emergency. We wish you success on your finals and a fun, relaxing, stress-free summer.

If you would like to talk to someone before school's out, call Ext. 2668 to schedule an appointment with a counselor. Counseling is free and confidential. You will find us in Building 7. Office hours: Tues, Wed, and Thurs from 8:30 a.m. to 4:30 p.m.

Attention Athenians,

This has definitely been a tremendous year. A vast number of students has successfully secured and engaged in internships with prominent organizations.
